No Shadow! Phil Predicts an Early Spring!

Punxsutawney Phil said that we will have an early spring. Well, I haven't seen anything that proves him right yet! I've shoveled my driveway three times this month and it's been freezing cold outside. When is this "early spring" coming? Hello, I'm still waiting, Phil! But one thing that will happen this spring

is our annual chapter elections, which will occur at the annual chapter meeting on April 20, 2016. The officers that are up for election (or re-election) are the President, the Vice-Presidents, the Secretary, and the Treasurer. Also, three members of the Board of Directors and the all PA State Council/VVA National delegates must be elected or re-elected.

These positions can be very rewarding. Rather than reading about our chapter activities, you are part of the planning and execution of the event. You are working with your "brothers/sisters" and helping to make the lives of our fellow veterans just a little bit better, especially for those of us who are less fortunate.

Everyone pretty much knows the duties of the elected officers, President, Vice-Presidents, Secretary and Treasurer. The Board of Directors (BOD) is responsible for the control and management of the affairs, property, and interests of the chapter. The Officers and BOD meet on the second Wednesday of the month to discuss and manage the affairs of the chapter. Our Delegates represent the our chapter at the PA State Conferences, the VVA National Convention and the VVA National Leadership Conference. Currently the PA State Conference meets twice a year (June 4-5 and October 29-30 this year) in State College, PA. Times and locations of the National Conventions and Conferences varies each year. Travel expenses, meals and lodging are paid either by the PA State Council or our Chapter. You are not required to attend all conferences or conventions, but attendance is very educational and expected.

Obviously, we need officers, directors and delegates to take an active role in running our chapter. As you know, we are the largest chapter in the state and the third largest chapter in the country. We sponsor multiple community events and render aid and assistance to many veterans and current military service members. We have a lot going on and we live up to the VVA motto that "Never again will one generation of veterans abandon another." You know that we have a great chapter, the best in our state, and possibility the best in the country.

The only way that we can continue this legacy is through effective leadership and direction in these elected positions. So I'm asking everyone to seriously consider volunteering for one of these offices. It won't hurt and you just might like it. Volunteer now by calling or writing to Lon Hogue and be sure to attend the April membership meeting.

**POW / MIA - Information taken from the
National League of POW/MIA Families**

UPDATE: January 24, 2016

AMERICANS ACCOUNTED FOR: The number of US personnel missing and unaccounted for from the Vietnam war is still **1,624**. For various reasons, including wishes of the family, DoD announcements are often delayed far beyond the ID dates and sometimes not even made. The number of Americans now listed by DoD as returned and identified since the end of the Vietnam War in 1975 is 961. Another 63 US personnel, recovered by the US and identified before the end of the war, bring the total of US personnel accounted for from the Vietnam War to **1,024**. Of the 1,624 still missing and unaccounted-for, 90% were lost in Vietnam or in areas of Cambodia and Laos under Vietnam's wartime control: Vietnam-1,266 (VN-467, VS-799); Laos-302; Cambodia-49; PRC territorial waters-7. These country-specific numbers can and do fluctuate when investigations result in changes to locations of loss. Since formation in 1970, the League has sought the return of all POWs, the fullest possible accounting for those still missing, and repatriation of all recoverable remains.

REPATRIATIONS OF REMAINS: On December 10th, remains that could be those of two US personnel missing and unaccounted-for from the Vietnam War, recovered during joint field operations in Laos were honored at a repatriation ceremony, attended by US Ambassador Dan Clune. On December 12th, remains believed to be those of four US personnel, also missing and unaccounted-for since the Vietnam War, were honored in a repatriation ceremony at Noi Bai International Airport in Hanoi. Some were turned over by civilian Vietnamese and others were recovered during field recovery operations in Vietnam. The four remains were reviewed by Vietnamese and American forensic specialists who determined the potential for identification. US Ambassador to Vietnam Ted Osius was joined by specialists from DPAA's Detachment 2 and the Vietnam Office for Seeking Missing Persons (VNOSMP) in honoring those repatriated. In remarks, Ambassador Osius reportedly expressed gratitude for the goodwill and increasingly efficient and effective cooperation being afforded by the Government of Vietnam. The League extends sincere appreciation to all – American and Vietnamese – for the policy and operational support and/or participation which contributed to this repatriation and looks forward to further expanding the level of effort that can lead to increased accounting results.

Folding Procedures for the US Flag

The traditional method of folding the U S flag is as follows:

(A) Straighten out the flag to full length and fold lengthwise once.

(B) Fold it lengthwise a second time to meet the open edge, making sure that the union of stars on the blue field remains outward in full view. (A large flag may have to be folded lengthwise a third time.)

(C) A triangular fold is then started by bringing the striped corner of the folded edge to the open edge.

(D) The outer point is then turned inward, parallel with the open edge, to form a second triangle.

(E) The diagonal or triangular folding is continued toward the blue union until the end is reached, with only the blue showing and the form being that of a cocked (three-corner) hat.

Meaning of Flag-Folding Program

The flag-folding ceremony represents the same religious principles on which our great country was originally founded.

The portion of the flag denoting honor is the canton of blue containing the stars representing states our veterans served in uniform. The canton field of blue dresses from left to right and is inverted only when draped as a pall on the casket of a veteran who has served our country honorably in uniform.

In the U.S. Armed Forces, at the ceremony of retreat, the flag is lowered, folded in a triangle fold and kept under watch throughout the night as a tribute to our nation's honored dead. The next morning it is brought out and, at the ceremony of reveille, run aloft as a symbol of our belief in the resurrection of the body.

Meaning of Flag Folding (cont from Pg 6)

The source and the date of origin of this Flag Folding Procedure is unknown, however some sources attribute it to the Gold Star Mothers of America while others to an Air Force chaplain stationed at the United States Air Force Academy. Others consider it to be an urban legend. It is provided as a patriotic service to all.

Symbols for the Folds of the Flag

The **first** fold of our flag is a symbol of life.

The **second** fold is a symbol of our belief in eternal life.

The **third** fold is made in honor and remembrance of the veteran departing our ranks, and who gave a portion of his or her life for the defense of our country to attain peace throughout the world.

The **fourth** fold represents our weaker nature; as American citizens trusting in God, it is to Him we turn in times of peace, as well as in times of war, for His divine guidance.

The **fifth** fold is a tribute to our country, for in the words of Stephen Decatur, "Our country, in dealing with other countries, may she always be right, but it is still our country, right or wrong."

The **sixth** fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

The **seventh** fold is a tribute to our armed forces, for it is through the armed forces that we protect our country and our flag against all enemies, whether they be found within or without the boundaries of our republic.

The **eighth** fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor our mother, for whom it flies on Mother's Day.

The **ninth** fold is a tribute to womanhood, for it has been through their faith, love, loyalty and devotion that the character of the men and women who have made this country great have been molded.

The **10th** fold is a tribute to father, for he, too, has given his sons and daughters for the defense of our country since he or she was first born.

The **11th** fold, in the eyes of Hebrew citizens, represents the lower portion of the seal of King David and King Solomon and glorifies, in their eyes, the God of Abraham, Isaac and Jacob.

The **12th** fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son and Holy Ghost.

When the flag is completely folded, the stars are uppermost, reminding us of our national motto, "In God We Trust."

After the flag is completely folded and tucked in, it has the appearance of a cocked hat, ever reminding us of the soldiers who served under Gen. George Washington and the sailors and Marines who served under Capt. John Paul Jones and were followed by their comrades and shipmates in the U.S. Armed Forces, preserving for us the rights, privileges and freedoms we enjoy today.

New "TAX" in Pennsylvania - Allegheny County "Already Started"

Another new tax snuck in under cover of darkness. I knew nothing about this till I got a letter from PennDOT saying that I had failed to include the \$5.00 fee with my last vehicle registration!!!!

FACT SHEET

January 2016

Fee for Local Use – **Participating Counties**

PURPOSE

Act 89, which became law on November 25, 2013, established a special fund within the state treasury called "Local Use Fund." Beginning January 1, 2015, a county may pass an ordinance to implement a fee of \$5.00 for each vehicle registered to an address located in that county. The \$5.00 county fee is collected by PennDOT at the time a vehicle is registered or renewed. These funds will be used by the county for transportation purposes or be allocated by the county in accordance with Section 9010 (c) of the Pennsylvania Vehicle Code.

The \$5.00 county fee is in addition to the registration fee.

Counties that wish to participate must notify PennDOT 90 days prior to the effective date of the ordinance. PennDOT provides notification of participating counties to authorized agents via the Driver and Vehicle Services Update Bulletin. Local Use Fund fees are being collected by PennDOT and its authorized agents.

PennDOT will begin collecting the \$5 fee for registrations expiring in the month the county ordinance is effective. For example, when completing registration renewals for a vehicle registered in Cumberland County, with an ordinance effective date of 4/7/2015, the \$5.00 fee is charged when the current registration expires April 2015 or later. In this example, the \$5.00 fee also applies to new registrations issued on or after the effective date of the Cumberland County ordinance (4/7/2015).

PARTICIPATING COUNTIES

Below are the effective dates for counties that have passed an ordinance to implement the \$5.00 fee.

EFFECTIVE DATE PARTICIPATING COUNTY

1/1/2016 Allegheny
 5/1/2015 Blair
 4/1/2016 Bucks
 4/7/2015 Cumberland
 4/29/2015 Fulton
 4/11/2016 Philadelphia
 4/1/2016 Westmoreland

Lee's Tid Bits:

Wow! Where did Winter go? Looks like we missed the best part of it. Really I didn't miss it. It could have been a lot worse then it was. We've still got about 6 weeks to worry about it but I think we'll be good. Nothing wrong with a mild Winter once in awhile. I laugh at the people that go south every winter but that's their choice.

"Hey"!, as stated at the January meeting, Lon Hogue explained to everyone that we have several openings coming up, including the Secretary, Newsletter Editor, BOD (Board of Directors) and Delegates. Reminder, Delegates are required to travel to State College (2) twice a year to attend the different Tier Meetings that are set up for you to attend on Saturday afternoons. Then on Sunday morning at 9:00 AM they have to attend the PA State Meetings where all 25 Chapters are required to attend. This is usually pretty interesting as you listen to what is going on in the other chapters across the State of PA. You can usually pick up some new ideas from listening to the other chapter reports.

I'm kind of excited to be relieved of the Secretary and Newsletter Editor positions as I'm finishing up 16 years. I happen to know we have a lot of smart people in this chapter who can step up and fall right into these two positions. I'm anxious to see the changes that they will bring to the chapter. Be thinking about stepping into one of these positions. If you have any questions, don't hesitate to ask one of the BOD members or Delegates. *Lee*
